Acknowledgement

I, understand that Christ-Conscious Leadership Centre is registered with the Government of Ghana to educate and train Christian leaders, but it is not accredited by the National Accreditation Board.

The primary purposes of C.L.C's strategic leadership refresher programmes are prayerfully and carefully designed to equip and build the capacity of Christian leaders to enable them serve God, the Church and the world effectively and ethically.

I am fully aware that most Christian leaders stop paying attention to serious learning after graduating from seminaries or Bible Colleges. However, I must know that a call to Christian servant leadership is a call to continuous learning. A break in learning is a break in leading.

Thus, I am consciously and willingly enrolling in this C.L.C. refresher programme to sharpen my ministerial skills, deepen my walk with the Lord Jesus Christ and create new friends in ministry. Although C.L.C. may help in pointing me to ministry opportunities, I am fully aware that I am the one responsible to locate any job in my future.

I am fully aware that C.L.C is a Christian ministry, which believes that the Bible is the Word of God which is profitable for training Christian leaders for them to be thoroughly equipped for every good work for the glory of God.
